National Electronic Attachment, Inc. Signs Agreement with HealthWare, Inc.

Atlanta, Georgia HealthWare, Inc. (HWI) of Michigan announced today that they have signed an Exclusive Agreement with National Electronic Attachment (NEA) of Atlanta, GA. NEA will begin accepting dental electronic attachments transmitted to NEA's web site from HWI electronic claim providers using NEA's FastAttach system.

FastAttach enables dental offices to transmit dental attachments (x-rays, perio charts, intra-oral pictures, narratives and EOB's), via the Internet, to NEA's repository where payors are able to view them, in support of electronic claims. For dental offices, FastAttach accelerates claim processing and eliminates the need to duplicate and mail x-rays.

"HWI is pleased to announce that it will partner with NEA in the area of electronic attachments. We recognize NEA as the true attachment clearinghouse for the dental industry. We anticipate that this agreement will increase our dental electronic claim volume," stated Bob Lane, President of HealthWare, Inc.

"We are happy to be working with HealthWare and we look forward to registering their providers to send attachments electronically," stated Tom Hughes, CEO of NEA.

HealthWare, Inc. is a regional claims clearinghouse in Michigan that works closely with the dental community.

NEA, the leader in Internet solutions for the dental industry, offers systems designed to make the process of insurance submissions and processing as easy as possible for the Patient, the Dental Office and the Insurance Payor.
