National Electronic Attachment, Inc. (NEA) Announces Agreement with Tesia Corporation to Receive Dental Claim Electronic Attachments

Atlanta, Georgia — Tesia Corporation, an Application Service Provider (ASP) that offers real time submission and settlement of dental claims, today signed an agreement to market NEA's *FastAttach*[™] electronic attachment program to their clients.

"By partnering with NEA, Tesia Corporation is continuing its mission to provide valuable practice enhancement solutions to dental providers and payors," said Tesia CEO Harvey Rock. "NEA's electronic attachment system creates an additional feature that compliments Tesia's claims system. Now, more than ever, dental providers can ensure fast and more affordable claims submission and adjudication.

NEA, the leading Internet-based attachment clearinghouse in the country, has agreements with the major dental payors in the country. "We look forward to working with Tesia and the opportunity to each expand our services in the dental community," stated Tom Hughes, CEO of NEA.

About NEA:

NEA acts as a repository and communication facilitator for electronic attachments (e.g., x-rays, perio charges, can intra-oral photographs) to major dental insurance companies. NEA's *FastAttach*[™] software allows these images to be transmitted electronically to NEA's repository where the insurance companies are able to view the images on NEA's secured web site.
