National Electronic Attachment, Inc. (NEA) Signs Agreement with Delta Dental Plan of Oklahoma (DDPOK) to Begin Receiving Electronic Dental Attachments via FastAttach(tm)

Atlanta, Georgia - National Electronic Attachment, Inc. (NEA) announced today that they have signed an Agreement with Delta Dental Plan of Oklahoma (DDPOK), of Oklahoma City, Oklahoma. The agreement will allow Delta Dental Plan of Oklahoma to accept dental attachments for electronically submitted claims. The attachments will be transmitted to NEA's web site from dental providers, using NEA's FastAttach(system.

FastAttach(tm) enables dental offices to transmit dental attachments (x-rays, perio charts, intra-oral pictures, narratives and EOB's), via the Internet, to NEA's repository where Delta Dental Plan of Oklahoma is able to view them in support of the electronic claim adjudication process. For dental offices, FastAttach(accelerates claim processing and eliminates the need and cost to duplicate and mail x-rays and other necessary attachments.

"We look forward to offering this new technology to our 1,200 participating dentists in Oklahoma. This is another way DDPOK is utilizing the latest technology and working to reduce administrative complexity for our dentists and clients," said, John Gladden, President & CEO of Delta Dental Plan of Oklahoma. "We expect this arrangement to increase DDPOK's electronic claim volume, reduce costs, and further improve turnaround time (currently less than 3 days which far exceeds the industry norm). In addition, our dental providers will benefit through streamlined claim submission processing, detailed submission documentation and reductions in their administrative costs."

The state's largest, and leading dental benefit provider, Delta Dental Plan of Oklahoma was created in 1973 through an act of congress. Currently more than 1,200 Oklahoma dentists participate with DDPOK creating the largest network of participating providers in the state of Oklahoma. In addition, more than 335,000 Commercial Subscribers carry a Delta Dental ID card and 270,000 Government Eligible Oklahomans can access the plan. Delta Dental Plan of Oklahoma's non-profit status means nearly 90-cents out of every dollar collected goes to treatment reimbursement. DDPOK's dental benefit programs encourage freedom of choice of dentist, quality care for its subscribers and balancing the needs of purchasers, patients and dentists. Please

"We are very glad that DDPOK chose NEA as their vendor for electronic attachments and we look forward to the opportunity to register their providers," stated Thomas Hughes, CEO of NEA.

NEA, the leader in Internet based solutions for the dental industry, offers systems designed to make the process of insurance submissions and processing as easy as possible for the Patient, the Dental Office and the Insurance Payor.

NEA's FastAttach(tm) enables dental claims attachments to be transmitted, via the Internet, to NEA's repository where insurance companies are able to view the images on NEA's web site, in support of electronic claims.
