### **National Electronic Attachment, Inc (NEA) Signs Agreement with Bridgeport Dental Services to Dental Attachments via FastAttach™**

**Atlanta, Georgia** – National Electronic Attachment, Inc. (NEA) of Atlanta, GA announced today that they have signed an Agreement with Bridgeport Dental Services, based in St. Charles, MO. Bridgeport will begin accepting dental electronic attachments transmitted to NEA's web site from providers using NEA's *FastAttach™* system.

*FastAttach™* enables a healthcare office to transmit attachments (x-rays, perio charts, intra-oral pictures, narratives, referral slips, lab reports, EOB's, etc), via the Internet, to NEA's repository where Insurance Payors are able to view them, in support of electronic claims. This is a significant benefit for healthcare offices as *FastAttach™* accelerates claim processing and eliminates duplicating and mailing attachments.

"At Bridgeport we are committed to increasing our electronic claims capabilities because it is a win-win scenario for Bridgeport and the Provider office, which translates into better service to the end customer. Our agreement with NEA will help us meet the commitment," stated Richard Smith, Vice President of Sales and Marketing. Bridgeport anticipates this integration will increase their electronic claim volume, reduce in-bound mailroom expenses, and eliminate the need to return attachments to these electronic Providers.

"We are very pleased to announce our relationship with Bridgeport. NEA is proud to have been chosen to provide electronic attachments to their users," states Tom Hughes, NEA's CEO.

Bridgeport is a dental management company dedicated exclusively to managing the dental benefits of Medicaid recipients enrolled in Managed Care Health Plans.

NEA's *FastAttach™* enables healthcare claims attachments to be transmitted, via the Internet, to NEA's repository where insurance companies are able to view the images on NEA's web site, in support of electronic claims.
